

Warm Christian Greetings from New Hope Christian Center (Military & Multi-Cultural Ministries), Sigonella, Sicily,

It is my distinct pleasure to write on behalf of and in full support of "Nick Farone Music Ministries". I highly commend to you our very talented, yet more importantly anointed brother, in Christ Jesus our Lord.

Both Nick & Sandy Farone display a genuine **love for and a continued willingness to serve our Risen Savior. Nick demonstrates the Gospel message through personal supernatural testimony & powerfully moving song. His ministry combines superb talent with God's anointing which equates to a Christian USO performance!**

While Nick & Sandy ministered at our center in July tears of joy were shed as Nick sang, Christ was accepted in people's **hearts and dozens upon dozens more were moved to rededicate their commitment to call upon the Lord.**

Indeed, your fellowships will be "blessed" by God, as you invite "Nick Farone Music Ministries" to share their **hearts with you...**

In Christ's **Love & Service,
Ralph "Jack" Brundage
Pastor/Director New Hope Christian Center
